

CREW Energy

Clean Energy – Community Power

Today's session

Quick intro to CREW

- ▶ Who are CREW and what have we done so far?
- ▶ Our project

Questions to directors

- ▶ What is a community share offer?
- ▶ How does it work in the case of CREW?

Open Q&A

Who are CREW Energy?

- ▶ Community-led non-profit founded in Wandsworth in 2014
- ▶ Low-carbon projects since 2017
- ▶ Working with charities to install energy efficiency measures:
 - ▶ LEDs
 - ▶ Building management systems
 - ▶ Heat transfer solutions
 - ▶ Solar PV
- ▶ Energy cafés to support the fuel poor
- ▶ Eco games events to engage and educate children and adults

What is Community Energy?

- ▶ Local groups carrying out sustainable projects in their area
 - ▶ Projects predominantly grant funded, or through community share offers
 - ▶ Community ownership of renewable technology: in the community, by the community, for the community
 - ▶ Community outreach: climate education, fuel poverty alleviation
 - ▶ Community ownership and management reinforces community spirit and collaboration
 - ▶ Established bodies and model: Community Energy England, Community Energy London
-

What is a community share offer?

Our Projects

- ▶ DRCA
- ▶ Devas Youth Club
- ▶ New Unity Church
- ▶ Islington Sea Cadets
- ▶ Parent House
- ▶ CREW Solar

Devas Youth Club

- ▶ Provided a variety of activities for young people since 1970
- ▶ Own purpose-built four-storey building
- ▶ Track record of two grant awards to install LEDs, BMS, secondary glazing, destratifiers and heat transfer solutions
- ▶ LED lighting
 - ▶ 60-70% saving on lighting
- ▶ Building Management System
 - ▶ 25% reduction in energy usage
- ▶ Cut building emissions by 35%
- ▶ Share offer = **phase 3** of the project

CREW community share offer

Benefits for Devas Club

- ▶ Funding solution: community share offer for £50k to pay for 4 air source heat pumps (ASHPs)
- ▶ Reduces reliance on gas boiler
- ▶ Estimated CO2E savings: 17 tonnes p.a.
- ▶ Improved local air quality: less CO, NOX
- ▶ Estimated energy bill savings: £962 p.a.

Benefits for investors

- ▶ Targeted 3% return on investment
- ▶ Support local youth club
- ▶ Help reduce carbon emissions
- ▶ Become a member of our ben comm and have a say in how we are run!
- ▶ Help fund climate education and fuel poverty outreach

Energy cafes

Personalised face-to-face or phone support for:

- ▶ Switching energy suppliers
- ▶ Discounts on energy bills
- ▶ Energy efficiency measures and behaviours
- ▶ Energy debt relief
- ▶ Arranging Home Energy Survey

Some FAQs

How long will the offer run for?

The offer will be open from 14th December 2020 until 31st January 2021, or once we have reached our target (whichever comes first!).

How much can I invest?

You can invest from £250 up to £5,000 and anything in between!

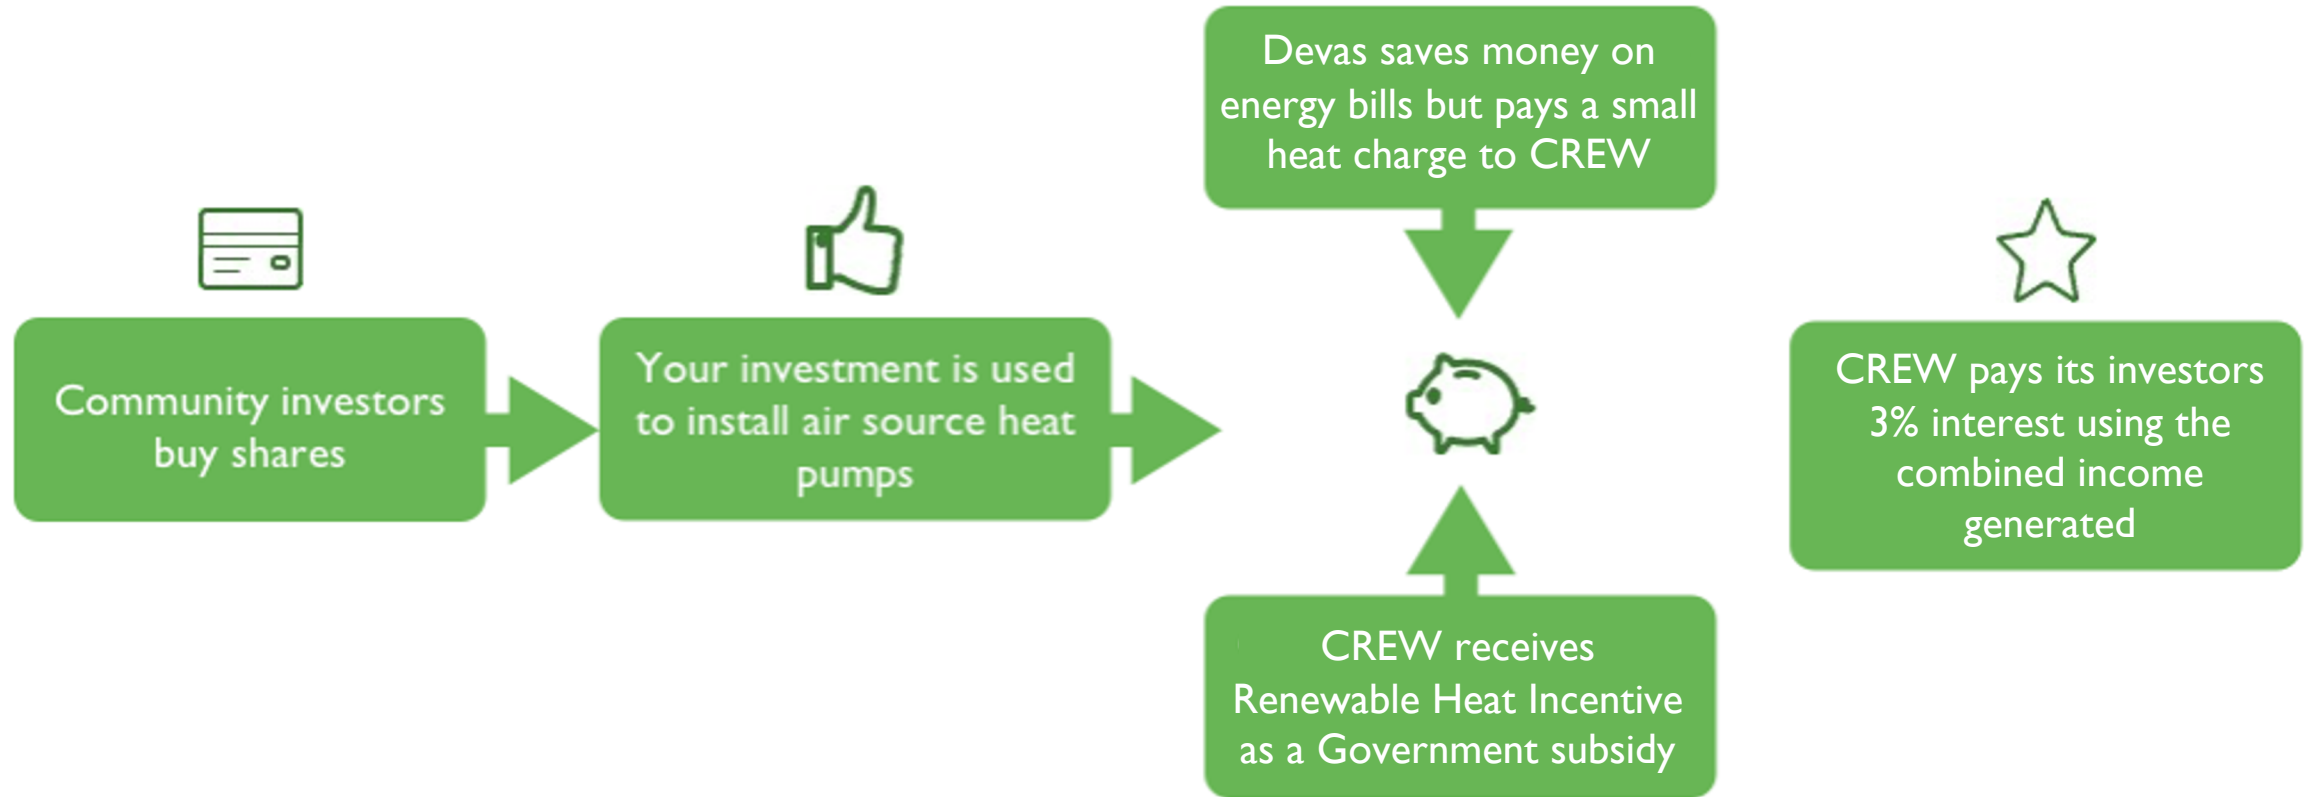

Who can buy shares?

Anyone aged 16 or over can buy shares.

How much interest will I get?

We are aiming for 3% annual interest for up to 20 years but remember, as with all investments, capital is at risk and returns are not guaranteed.

How do the finances work?

The background features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern, layered effect on the right side of the slide.
